

Ugochukwu Maduagufor-Ogoke

Profile

Experienced digital communications specialist with expertise in web development, design, email marketing and online content creation. Passionate about using technology and digital media to advocate for human rights and social justice. Skilled in crafting impactful messaging, building engaging online communities, and leveraging digital tools for advocacy and awareness-raising. Strong background in philosophy, with the ability to analyze complex issues from multiple perspectives and communicate ideas clearly. Driven to use digital platforms to give voice to marginalized communities and advance the cause of universal human rights.
